

Amendments to the Claims

Claims 1-20 (cancelled).

Claim 21. (new) A package for providing items for preparing a heated beverage and a frozen additive comprising:

a container including one or more items used to prepare a heated beverage; and

a container including a plurality of compartments, each compartment including one or more items used to prepare a frozen additive.

Claim 22. (new) The package of claim 21, wherein the package encloses each of said containers in a shared housing.

Claim 23. (new) The package of claim 21, wherein the package encloses each of said containers in separate housings.

Claim 24. (new) The package of claim 21, wherein said frozen additive is approximately the same concentration of the same ingredients as said heated beverage.

Claim 25. (new) The package of claim 21, wherein said frozen additive is a nutritional supplement.

Claim 26. (new) The package of claim 21, wherein said frozen additive may be used to alter the flavor of said heated beverage.

Claim 27. (new) The package of claim 21, wherein said frozen additive may be used to alter the concentration of caffeine in said heated beverage.

Claim 28. (new) The package of claim 21, wherein said heated beverage is coffee.

Claim 29. (new) The package of claim 21, wherein said frozen additive is coffee.

Claim 30. (new) The package of claim 21 wherein said frozen additive is espresso.

Claim 31. (new) A kit comprising:

a container including one or more items used to prepare a heated beverage; and

a container including at least one compartment, each compartment including one or more items used to prepare a frozen additive.

Claim 32. (new) The kit of claim 31, wherein the kit encloses each of said containers in a shared housing.

Claim 33. (new) The kit of claim 31, wherein said frozen additive is approximately the same concentration of the same ingredients as said heated beverage.

Claim 34. (new) The kit of claim 31, wherein said heated beverage is coffee.

Claim 35. (new) The kit of claim 31, wherein said frozen additive is coffee.

Claim 36. (new) A method of providing ingredients for preparing a heated beverage and a frozen additive comprising the steps of:

providing one or more prepackaged servings of a frozen additive; and

providing an associated container including one or more items used to prepare a heated beverage.

Claim 37. (new) The method of claim 36, wherein said one or more prepackaged servings of a frozen additive are frozen.

Claim 38. (new) The method of claim 36, wherein said one or more prepackaged servings of a frozen additive are not frozen.

Claim 39. (new) The method of claim 36, wherein said prepackaged servings and said associated container are associated in a shared housing.

Claim 40. (new) The method of claim 36, wherein said prepackaged servings and said associated container are associated in separate housings.
